GOVERNMENT SERVICE. (*In demised list*)

In February 1916 the Owners wrote "this vessel will
be in the hands of the Admiralty until the end of the War at
the very earliest.

This information will, of course, save you writing
any further meantime."

In the circumstances the Committee deferred action
on the matter for a time, and they further deferred action
in regard to the case in August 1917 and in February last.

No further information respecting the vessel has since
come to hand.
