Lloyd's Register of Shipping.

Port of AMSTERDAM

3rd August, 1929.

This is to Certify that

P. N. BERNOSKI

the undersigned Surveyor to this Society did at the request of Messrs. Kromhout Motoren Fabriek, D. Goedkoop Jr. at this Port attend their works on various dates from April until July 1929 for the purpose of examination during construction a thrust shaft made from Siemens Martin steel for Oil Engine No. 5234 and intended for Messrs. Nising Sun Co.

The thrustshaft was as far as could be ascertained, sound and free from defects.

The results of the tensile and bend tests were as follows:-

Tensile test: 30,8 Tons per sq. inch

Elongation: 35%

Bend test satisfactory.

Marks for identification:-

LLOYD'S

No. 2964

A.F.

29/3/29.

P. N. Bernoski

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that :-

"While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."
