# Lloyd's Register of Shipping.

Port OF AMSTERDAM

3rd August, 1929.

This is to Certify that

P. H. BERNOSKI & H. P. BURGDORFFER

the undersigned Surveyor to this Society did at the request of Messrs. Kromhout Motoren Fabrick, D. Geeskoop Jr. at this Port examine during construction on various dates from February until July 1929 one Kromhout two stroke cycle, single acting heavy oil engine for driving auxiliary machinery having one cylinder 230 mm. diameter by 240 stroke, designated No. 5236 and intended for Messrs Rising Sun Petroleum Co.

The engine and its accessories have been constructed and tested in accordance with the Society's Rules and approved plans.

Same has been tested under full working conditions and found to work satisfactorily.

Marks for identification on cylinder:-

NO. 260

LLOYD'S TEST

*H. P. Burdoffer*  
Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that :-

"While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."
