

S.S. "CAMILLA GILBERT"

It is submitted the Bergen Surveyor be informed that as freeboard is a condition of the class of this vessel, it will be necessary for the freeboard to be approved by the Committee.

As the freeboards were previously assigned by the Norwegian Veritas and approved by the Committee it will be sufficient if these freeboards are retained. A memo of these freeboards should be sent to the Surveyor and he should forward the usual verification of marking form on completion of the survey.
