Lloyd's Register of Shipping.

Port

G D Y N I A

19th. May 1950.

This is to Certify that I have
Part

Surveyed the Boiler and Machinery of the S.S. " KASTORIA ", 307
tons gross of Gdynia, on the 1st. December 1949 and subsequently as the
vessel lay in dry-dock and afloat at Gdynia,

and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report stating that all
recommendations made by me in connection therewith have
been carried out to my satisfaction, and that I have
Recommended that the record of BS 3,50

be made in the Register Book in the case of this vessel. ' subject to the main engine be-plate, condenser side plate at bottom and L.P. cylinder, being examined by 5,51 (2 years limit).

J. A. Bate.

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that :—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly
cuted, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances
tever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any
in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its
ommittees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
