Have the requirements of Section 49 of the Rules been complied with *Yes*

Is this machinery duplicate of a previous case *Yes* If so, state name of vessel *R. F. A. "Creosol"*

General Remarks (State quality of workmanship, opinions as to class, &c.)

The machinery of this vessel has been built under special survey, the materials used are good, and the workmanship is satisfactory, it has been properly fitted on board and secured, and the engines have been tried under full power. In our opinion this vessel is eligible for the record of L.M.C. 11-16 fitted for oil fuel over 150°F.

It is submitted that this vessel is eligible for THE RECORD, + LMC 11-16. F.D.

Fitted for oil fuel 11-16. F.P. above 150°F.
