The Screwshaft Survey became due on this vessel
in September last.

In reply to enquiry the Bremen Surveyor now forwards
a letter from the Owners intimating that they do not desire to
retain this Society's class and that they have had her classed
with the Germanischer Lloyd.

The Classing Committee had the case before them
on Tuesday, the 28th instant, when they decided to give instructions
for the vessel's character to be withdrawn from the Register Book
and three dots (...) inserted in lieu thereof, indicating
withdrawal of class at Owners' request.
