Dear Sir,

With reference to the query in the Classing Letter of 9th inst. regarding the steamer "JO TAYLOR", Newcastle Report No. 86212, I have to state the boiler number in this case should be 367 and not 357 as stated in my previous letter. I have to regret the clerical error which has been made in this instance.

I am, Dear Sir,

Yours faithfully,

L. Pester
