A. H. Manley Esq.,  
LONDON.

Dear Mr. Manley,

I have a letter dated 1st inst. from the London Office regarding the Ownership of the steamer "JO TAYLOR", but the signature of the letter has been omitted by an oversight.

Thinking that possibly the enquiry emanated from yourself I am replying to say we are informed by the Shipbuilders that matters remain "as is," and that the vessel is still tied up doing nothing.

The "KITTY TAYLOR" is being managed by Lambert Bros. Ltd. but no record of Ownership should be made for the present at any rate in the case of the "JO TAYLOR".

With kind regards,

Yours sincerely,
