Collingwood Buildings, Newcastle-on-Tyne.

26th September 1930.

The Secretary,

London.

Dear Sir,

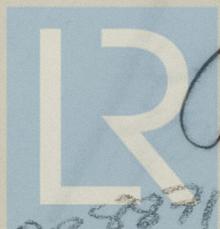

I beg to forward herewith First Entry Report
Messrs. Sir W.G. Armstrong, Whitworth & Co's ss. "JO TAYLOR"
No.1055.

This vessel was launched on 18th November ¹⁹²⁹ last
and was practically completed a few months ago. The Builders
hoped to sell the ship but there are no indications of a sale
in the near future. They do not wish the Certificate to be
forwarded in the meantime and would like the record of survey
to be considered at a later date when she has been sold or
chartered.

I am, Dear Sir,

Yours faithfully,

J. Macdonald.
