

"J. TAYLOR."

MVC. 8625-2

The machinery is complete and meets the requirements of the Rules for the Record

+LMC

C-L

The Newcastle Surveyors state that she has not yet been sold by the builders, ~~and~~ who request that the assignment of the Class might be deferred until such time as the vessel is sold.

In the circumstances it is submitted that no action be taken on this report pending receipt of a further communication from the NWC Surveyors.

(2)

29/9/30.

In view of the Committee's decision as indicated in D Letter 7/10/30.

It is submitted that this vessel is eligible for THE RECORD.
