Proposed to be held.....

Remarks Action has been deferred from time to time on account of
the vessel being laid up.

In January information was received to the effect that this ship had been acquired by Gothenburg interests and a proposal to carry out a survey at Rotterdam with a view to having her towed to Gothenbrug was approved. She was reported under survey at Rotterdam on the 19th January, but on the 9th ultimo the Surveyors reported that the survey was not being proceeded with.
