Dear Sir,

I am in receipt of your letter of the 25th instant respecting the Sailing Ship "VIKING", the contents of which are noted.

It is proposed to await the receipt of the Rotterdam Report, having regard to the fact that the vessel is now undergoing survey at that port as shown by the recent returns, and then to submit the case to the Committee with a view to the omission of all particulars from the Reprint.

Yours faithfully,

S. Townshend, Esq.,  
GOTHENBURG.
