Dear Sir,

And _____

With reference to Aberdeen Report No. 23047 on the steam trawler "WILLIAM BRADY", which received the consideration of the Scottish Sub-Committee of Classification at their Meeting today, and to my telephone conversation with Mr. Cook this morning, the Committee asked me to draw your attention to the long overdue Boiler and Special Surveys. It is understood, however, that you are already in communication with the new Owners in regard thereto.

Yours faithfully,

Secretary to the
