QUESTION.

ANSWER.

With reference to New York letter dated 26th ultimo, addressed to you respecting this steamer, I shall be glad if you will kindly bear this case in mind and advise me in due course on Return 10 when this vessel is broken up or converted into a barge,

At the same time I take this opportunity to inform you that Returns 10 for the December 1939, March 1940 and June 1940 quarters have not yet been received.

I have to advise that the above named tanker which recently arrived at this port for breaking up purposes has been bought by Mr. Pappadakis of the American Ship Brokerage Corp. of New York City. It is his intention to have her repaired and reclassified with this Society.

She left this port on the 10th instant under tow enroute to New York where it is anticipated repairs will be effected.
