

"AVOLA"

It is submitted the Aberdeen Surveyors,  
who have forwarded particulars of the thicknesses  
of the shell plating as ascertained by drilling,  
be informed that in addition to those <sup>plates</sup> suggested by  
them for renewal, all plates within the midship  
half-length where ~~worn to~~ below .30 should be  
renewed or doubled.

15.1.46.
