This trawler became due for First Special Survey No.3 in June last, but the Owners now state that owing to the Society's survey fees being charged in sterling they have decided to transfer the vessel to the classification of the Bureau Veritas.

In the circumstances, the Classing Committee, who had the case before them on Friday, 4th instant, decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
