Appointed by the Department of Commerce to Assign Load Lines under the Provisions of the Act of March 2, 1929.

REPORT OF ANNUAL LOAD LINE INSPECTION

PORT OF Jacksonville, Fla.

DATE 17th April, 1937.

THIS IS TO CERTIFY that the undersigned Surveyor to this Society did at the request of Maltran S. S. Company, Inc.

attend the SS "MALLARD" Official Number 232352

of New York at Savannah, Georgia

on the 15th day of April, 1937, for the purpose of inspecting (a) protection of openings, (b) guard rails, (c) freeing ports, (d) means of access to crew's quarters, and found same to have been maintained in an effective condition; also, that no alterations had been made to hull or superstructures which would affect the calculations determining the position of the load lines.

Above requirements examined and found in efficient condition.

The certificate has been extended at this time and endorsed as follows.

Hugh Boyle
