Dear Sir,

Reverting to your letter of the 22nd May last respecting the Steamer "STRYMON" (now named "LIBERTY"), I have to acquaint you I am informed by the Society's Surveyors at New York that Messrs. S. Livanos & Co. Inc., have informed them that the question of the carrying out of the overdue Special Survey has been referred to your goodselves as you are still the general Agents for this vessel.

In the circumstances it will be appreciated if you will kindly let me know what arrangements are proposed to be made for the Special Survey in question to take place.

I take the opportunity to remind you that the Screwshaft Survey will become due at the end of the present month and the Boiler Survey at the end of October.

Yours faithfully,

Clerk to the
Classification Committee.
