Dear Sirs,

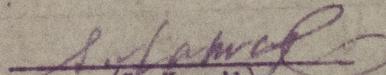

Re: "Hoyo Maru"

We acknowledge with thanks the receipt of your letter dated December 28, 1960, and herewith wish to confirm that the No.3 boiler of the subject vessel is still out of use.

Kindly note also that the vessel was, on December 1, 1960, delivered over to Messrs. Towa Sempaku Company, Kobe, and it is believed that a new Diesel engine will be installed shortly in place of the Main Reciprocating engine and consequently the said boiler will be dismantled.

Hoping the above information will prove sufficient, we are,

Yours faithfully,
TAIHEIYO KAIUN CO., LTD.,

(S. Yamaji)
Vice President.
