Dear Sirs,

Steamer "HOYO MARU"

I acknowledge the receipt of your memorandum of the 28th November and have since submitted this case to the Committee here.

On reference to your report No. 3230 you will observe that this vessel's class was continued last April subject to the centre boiler not being used until repaired and surveyed and, on the assumption that this boiler is still out of use, the Committee will be prepared, in view of the Owners' intimation, to record a notation of Class withdrawn at Owners' request. I shall, however, be obliged if you will obtain the Owners' confirmation that this boiler is still out of use.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
YOKOHAMA.
