Dear Sirs,

s.s. "TEMPLE YARD".

We have your advice that this steamer is due for Annual General Survey in January, 1942, and that Freeboard Certificate expires that month.

We would point out that steamer was dry-docked in Swansea in August this year, when bottom, all under water parts examined, and in April the Sea Cocks, Steering Engines, and general examination of hull was held for No.1 Survey.

The Freeboard Certificate, which was renewed when steamer changed name and port of registry is dated 7th Oct., 1937.

Will you please advise us which date is correct for renewal of this Certificate.

Yours faithfully,

For TEMPLE STEAMSHIP CO. LTD
(Sgd).

renewal of this certificate.
