

POST BOX NO.1.

Board of Management for the Port of Rangoon.

I.F.9/M.A.

The Surveyor of Lloyd's Register of Shipping  
C/o Zenith Corporation,  
112 - 31st Street,  
Rangoon.

Dear Sirs,

S.S. NATHAMEE

I have to acknowledge receipt of your letter of 26th April 1960 on the above subject and state that in accordance with the decision of the Owners - Board of Management for the Port of Rangoon - I have to request that the classification of the above vessel be withdrawn.

I have to state also that in lieu of Lloyd's Load Line Certificate issued under the authorisation of the Government of Burma, Burma Government's Load Line Certificate will be obtained.

In view of the only dry dock not being available for a considerable time, being occupied by Burma Navy vessels, and the fact that NATHAMEE was last surveyed on 4th September 1959 I have to request that extension be given to the Load Line Certificate by period of 6 months, please.

Yours faithfully,

Sd. MG AUNG  
Master Attendant.
