Dear Sirs,

I duly received your report No.51664 on the Tug "EMPIRE FAIRY", but before submitting the case to the Committee I would draw your attention to the requirements of Section 32, ~~Clause~~ 1 of the rules, and shall be glad to learn why cement or other approved covering on the bottom has not been fitted. You will appreciate that the requirements of the rules are specific, and if it was proposed to depart therefrom, the matter should have been submitted for consideration.

At the same time I shall be glad to learn whether the plating is joggled as stated on page 2 of the report or ordinary as shown on the approved plan.

I am, Dear Sirs,  
Yours faithfully,

pro Secretary.

The Surveyors,  
HULL.
