

Lloyd's Register of Shipping,

Central Buildings, West Hartlepool.

13th September, 1918.

Dear Sirs,

We beg to inform you that the 25 Ton evaporator No. 3697 made by Messrs. Richardsons, Westgarth & Co. Ltd., of this port for their Sunderland Contract No. 2145 has been despatched to your port. The cast iron body and copper coils have been tested by Hydraulic pressure to 50 lbs and 400 lbs respectively.

For purpose of identification the evaporator has been stamped as below:-

Lloyd's No. 945.

Tested to 50 lbs.

12/9/18. A.B.

Yours faithfully,

W. Lloyd

The Surveyors,

SUNDERLAND
