

S.S. "NESS" ex "Alexander Palmer" Sou. 11234.

-----

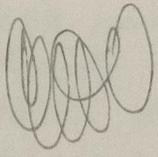

This vessel was built in 1917 by Messrs. Smith's Dock Co., Ltd. under the survey of the British Corporation, and is one of the Castle Type of trawlers built for the Admiralty.

A special survey has now been held on the machinery with a view to the vessel's classification with this Society, and a satisfactory report forwarded, except that the screw shaft and sea connections do not appear to have been examined.

It is submitted ~~that~~ this vessel is eligible for the record.

L.M.C.- 5.22 C.L.

it being concluded that the screw shaft and sea connections have been examined, but this should be confirmed by wire.
