The Annual Survey of the Boilers became due in
May last.

The Kobe Surveyors now forward a communication
received from the Owners stating that as the steamer is now
engaged on Coasting Service only, they have decided not to
maintain her classification in the Society's Register Book.

In the circumstances the Classing Committee, who
had the case before them on Friday, 25th instant, decided to
give instructions for the character to be withdrawn from the
Register Book and three dots (...) inserted in lieu thereof,
indicating withdrawal of class at Owners' request.
