Dear Sir:

S/S MATHEOS

I think it well to enclose copy of a letter received from the Martran Steamship Company Inc. in reply to an inquiry addressed to them through their attorneys, Dow and Symmers.

You will observe that the classification was transferred back to the American Bureau of Shipping last February, and this is the first intimation received here concerning this change.

In the circumstances it is concluded that the Committee will take whatever action you deem necessary in dealing with the vessel's class.

Yours faithfully,

Principal Surveyor, U.S.A.

The Secretary
