The Secretary,  
Lloyd's Register of Shipping,  
London.

Dear Sir:-

We beg to acknowledge the receipt of your Classing Letter of the 8th instant regarding the case of S.S. "MATHEOS", Vancouver Report No. 8323.

With reference to your instructions that we should issue an amended Interim Certificate making the Classification subject to the life boats being dealt with at the earliest opportunity, we regret that it was not made clear in the Report that the two forward life boats are in satisfactory condition. It is understood that these two life boats are sufficient to meet life saving requirements but as the two after life boats were found to be in poor condition it was recommended that they should be dealt with at the first opportunity but we were in doubt if we would be in order in making this recommendation a condition of Class.

We are, Dear Sir,  
Yours faithfully,  
For the Surveyors.
