Gentlemen:

S/S MATHEOS

We refer to your letters of March 29 and April 30th which were written to Messrs. Dow & Summers in connection with the subject vessel's Special Survey.

After this vessel was built it was classed with American Bureau of Shipping and her subsequent buyers transferred her to your society. Upon her purchase by the present owners, they continued to class the vessel with you, but recently they deemed it advisable, for reasons of convenience, to transfer her back to the American Bureau of Shipping. This action of transfer was taken last February.

For any further information that you may require, you may address this office and we shall be happy to attend to your requests.

Yours very truly,

/s/ WILLIAM A. STAVROS
Vice President
