7th June, 1928.

Dear Sir,

H. With reference to the correspondence which passed between us in August and September last relative to the survey of the screwshaft of the steamer "WYRESDALE", I shall be glad to learn within what time this inspection will take place.

At the same time I have to point out that the vessel became due for Special Survey at the end of last year, and you will be so good as to let me know what arrangements the Owners propose making to have this inspection held.

I am, Dear Sir,

Yours faithfully,

pro Secretary.

The Secretary,

LIVERPOOL.
