

London

17th October 1932

Sirs,

S/S "SOLI"

We beg to confirm our cable which was sent you on the 15th regarding the freeboard of the above vessel reading as follows:- Owners desire survey Convention freeboard explain to Master this essential. Sheer at stern post 3'-9", 1/8 from aft 1'-11". sheer stem 8'-6", 1/8 from forward 4'-5 1/2". Poop 110' Bridge 26' castle 40' collect cost of my cablegram 50 shillings² connection therewith I have to explain that the Owner states he is not sure that the Captain realizes that the vessel must be red for freeboard even if it is intended to retain the existing boards.

We are, Dear Sirs,
Yours faithfully

SURVEYORS

NAGASAKI.
