Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

20th August, 1921.

S. Dear Sirs,

With reference to your First Entry Report No. 3188 on the new Steamer "SHINAI MARU", I have to request that you will state whether the figure given as the registered depth, namely, 29.08, is in accordance with the Japanese law for registered depth.

I may add that the registered depth of a vessel in this country is not usually the same as the moulded depth, and is measured from the inner bottom to the top of beam at the middle line.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,
KOBE.
