I herewith enclose a letter received from the new Owner of the Levis Ferry Limited.

This Firm own FIVE (5) Vessels, THREE (3) of which have been classed with this Society for quite a number of years. Last January it was brought to my attention that the new Owner was seriously considering removing the Vessels from class as the Ferry Company was operating at a loss.

At that time, I discussed the matter with Mr. A. Rochette, the President, who agreed to keep the Vessels in class as he felt that the Classification Fees, which were relatively small, was money well spent. However, he has now decided to cancel classification and depend entirely on the surveys carried out by the Steamship Inspection.
