Dear Mr. Heck:-

Ferry "LOUIS JOLLIET"

In reply to your letter of the 26th instant regarding the report #4706 on the above named vessel, I herewith return report rewritten as requested. As regards the pumping arrangements, this was replaced exactly as originally fitted on the steamer "Colomb".

I showed this report to Mr. Bennett before I left on vacation and also brought the matter up in the London office and was informed that a First Entry Report was not required.

Kind regards,

Yours very truly,

(Signed) Geo. Allan
