Dear Sir,

m.v. "HIYEHARU MARU"  
R.M.C. Report No.9691

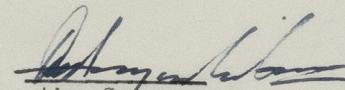

We acknowledge receipt of your classing letter dated 19th December 1961, regarding the above subject matter, and in reply we have to inform you as follows.

The aft gas condenser was surveyed in July 1960 at New Orleans this was recorded in the Survey book on board, as signed by Mr. J.A. Laing.

The inboard gas evaporator was surveyed at Taguma, Japan on the 26th October, 1961. Please see Kobe Report No.9691. It will be noted that this is referred to as "Inboard brine cooler" in the Interim Certificate instead of "Gas Evaporator".

*Handwritten notes:*  
Recd 7/60 for R/S  
But not started  
as reqd for SHAC  
Correct see Rpt.

Yours faithfully,

  
For the Surveyors.

The Secretary,  
LONDON.
