QUESTION

ANSWER

With reference to the Special RMC and Running Surveys, I shall be glad to learn what arrangements are proposed to be made for these inspections to be carried out.

You will note that the validity of the present Running Survey Certificate will expire at the end of next month and that the Special RMC Survey will become due at the end of October next.

Date:—

8th August, 1961

The Owners state that the RMC RS and SRMC surveys will be carried out a Japanese Port in the middle of October next.

We would advise you also that the Special Survey (H & M) will also be carried out, at that time.

It is confirmed by the Owners that no cargoes will be carried in the Refrigerated cargo chambers after the validity of the present Running Survey Certificate.
