6th April, 1948.

Enclosure

Dear Sir,

I have to confirm my cablegram this morning regarding the "Y.127" and "Y.128" and have to explain that when my previous cablegram of the 3rd instant was sent we had overlooked their entry in our own Register Book.

I think I cannot do better than enclose herewith a copy of a letter which has today been addressed to the Society's Surveyor at Havre, and which explains the present position.

Yours faithfully,

Wm. Bennett, Esq.,
NEW YORK.
