

"Y.127" and "Y.128"

With reference to our two endorsements, each dated 3.4.48, regarding the above 'Y'-type coastal tanks, word has been received this morning by telephone from the Le Havre Surveyor, which has supplied us with the information requested in the cablegram sent to New York 3.4.48.

It is now therefore submitted that a cablegram in the following terms be forwarded to the New York Surveyors :-

"Y.127 and Y.128 Re our cable third instant please cancel request[↑] information and plans now obtained here"

Stop

6.4.48.
