Class                      Port of Registry                     

Last docking date 7.56.

Surveys due Special Survey due 6.56 - last date assigned (M) 6.55-1 year.  
Postponement until 2.57 approved as result General  
Examination at Genoa in July/August 1956- Gen.21788 refer  
also subjects of class.

Proposed to be                     

Remarks In the attached letter the Owners are requesting postponement  
of the Special Survey for one year or at least the maximum which could  
be granted in view of the closure of the Suez Canal.

The Genoa Surveyors point out that at the time of the General  
Examination deck plating repairs were deferred until February 1957  
and at any further General Examination they consider the deck plating  
should receive particular attention.
