Dear Sir,

"GOLFO DI CASTELLAMMARE" ex "San Amado"

We enclose herewith a free translation of a letter received by us from the Owners of the above Tanker in which they request a further postponement of the Special Survey.

You will recall that this Tanker underwent a Modified Special Survey in June 1955 (1 Year) and in July/August last a General Examination was held at Genoa when a postponement of the Special Survey until February 1957 was granted by the Committee (Genoa Report No. 21788). At that time repairs to the deck plating (worn and thin) was deferred until February 1957 and, at any future general examination for postponement of the Special Survey, we consider that the deck plating should receive particular attention.

We shall be glad to be informed of the Committee's decision.

Yours faithfully,

Encl.
