27th June, 1934.

Dear Sirs,

F.

With reference to the memorandum of freeboards assigned by the Japanese Government to the steamer "HAKUSAN MARU", forwarded with your Report 8 No. 5290, it is assumed that the freeboards have been marked from the upper surface of the wood deck as originally marked and not from the steel deck as now reported, but I shall be glad if you will confirm this.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

YOKOHAMA.
