

J. P. Gateley - L.R. Surveyor,
Marine Barracks,
Navybuilding, Room 202,
BREMERHAVEN.

Mr. Rösler,
Am roten Sile 16,
EMDEN.

12th April, 1950.

Dear Sir,

We enclose herewith cheque covering fees for inspection of the boiler on the S.S. "RALOO", and we are pleased that you have been able to carry out this work for us in this instance.

It is noted that the word "port" has been amended in pencil to read "Starboard", and we assume that the amendment covers the correct boiler.

It is sometimes quite impossible for us to attend vessels at a moment's notice due to other commitments in this area, and it often happens that a ship is sailing before any of our exclusive surveyors can attend at Emden. In such instances we shall inform the Agents that it will be in order for you to attend on our behalf.

Our Head Office is being informed of this position.

Yours faithfully,

Sgd: J. P. GATELEY.
