The screw shaft of this tug became due for survey in December last, but the Owners have now informed the Society's Surveyor at Cape Town that it is not desired to maintain the vessel in the Society's Classification.

In the circumstances the Classing Committee, who had the case before them on Friday, 9th instant, decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
