# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

FAM

16th December, 1925.

Dear Sir,

I have to confirm the following telegrams that have passed between us today regarding the case of the steamer "H.C. HULL", viz:-

Recd:- "IS TUG H.C.HULL BUILT KINGSLYNN CLASSED"

Sent:- "H.C.HULL RECOMMENDED FOR CLASS A ONE FOR TOWING PURPOSES".

With regard to this vessel, I may say that she is of 58 tons gross, has recently been built at King's Lynn, and that the case will be submitted to the next Committee with a view to the Class "A1 For Towing Purposes" being assigned, with the notation of LMC 12.25.

I am, Dear Sir,  
Yours faithfully,

Assistant to the Secretary.

Mr. P.T. Brown,  
PLYMOUTH.
