The Secretary,
LONDON.

Dear Sir,

S.S. "SHINFUKU MARU".

With reference to No.2 Special Survey of the above steamer, as per enclosed Report No.3873, the Owners have requested that the testing of double bottom tanks and fore and after peak tanks, may be postponed until December this year, so as to coincide with the Government Special Survey, this date being beyond the year of grace.

The above is the only requirement remaining to complete the Special Survey.

Yours faithfully,

Jan. Brichton
