The Second Special Survey No. 3 became due on this vessel in February, 1927.

The major portion of the survey was held at Kobe in November 1926, but the Kobe Surveyors have now been informed by the Owners that the steamer has been transferred to the classification of the Teikoku Kaiji Kyokai and the British Corporation.

The case received the consideration of the Classing Committee on Tuesday, 27th instant, when it was decided to give instructions for the vessel's character to be withdrawn from the Society's Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
