Extract from letter dated 8.1.43. received from _____

J. W. WHITTALL & CO. LTD. LLOYD'S AGENTS, ISTANBUL.

Original letter with "ILGAZ".

Vessel's Name "DEMIR".

S.S. "DEMIR". The Second Special Survey No. 1 has been partly commenced as you will see from the Report we have sent you, but as the ship is so badly required at the present moment in Turkey, we have been unable to make any further progress with the survey. The Shipowners have asked for the year of grace within which to complete this survey and we shall be glad to have your approval by telegram at your early convenience.
