PORT OF

18th July, 1939.

Dear Sirs,

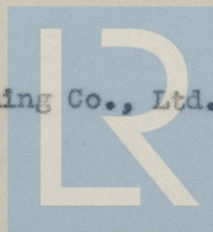

I am directed to acquaint you that the Committee have had before them a report from the Society's Surveyors at Fleetwood on the machinery of the "GLADYS" from which it appears that in view of the condition of the tail shaft, it is recommended that it should be renewed before the end of July, 1940; and the Committee have accordingly continued the vessel's classification in the Register Book subject to this being done.

I am, Dear Sirs,

Yours faithfully,

Secretary to the  
Liverpool Committee.
