2nd April, 1924.

Dear Sirs,

I beg to acknowledge the receipt of your letter of the 1st instant requesting to be furnished with the Classification Certificate for your Engines No.2491 intended for S.S.No.793 building by Messrs. Cochrane & Sons of Selby. With regard thereto I have to say that no report on the installation of these engines on board the vessel has yet been received from the Society's Surveyors, and until this comes to hand and the fees for the Special Survey of the hull of the vessel have all been paid the Classification Certificates cannot be issued.

I am, however, to-day writing to the Society's Surveyors on the subject.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.
